Once upon a time in a strange, faraway land called Boys' Love...

"Harder," moaned Archer, his back arching off the bed. He yearned for James Bondage to fill him completely, stroking his own cock in tandem with his partner's thrusts.

James Bondage slowly licked the ankle perched atop his shoulder. The stubble on his chin grazed Archer's smooth skin, eliciting a shudder. He then grasped Archer's thighs and deeply plunged. A low groan barely escaped JB's lips as he pounded into the tight opening. The smell of cum and sweat clung in the air as the two men surrendered themselves to passion.

"B-bite my nipples."

"What?!"

"Please," Archer begged, "bite my nipples!"

Although the request surprised James Bondage, he immediately obliged and began to gnaw at the hardened nubs. Suddenly, Archer shuddered, coating JB's rippling abs with sweet cum.

"You know, ever since I first saw you, I couldn't take my eyes off of you." James Bondage laid upon his back, hands tucked neatly beneath his head. Archer, with his chin resting on JB's bare chest, blushed furiously.

"I really like you." confessed JB. He lifted a hand to tenderly stroke Archer's hair. "Will you—"

Archer peered at him inquisitively. "Yes?"

"Will you start a BL scanlation group with me?"

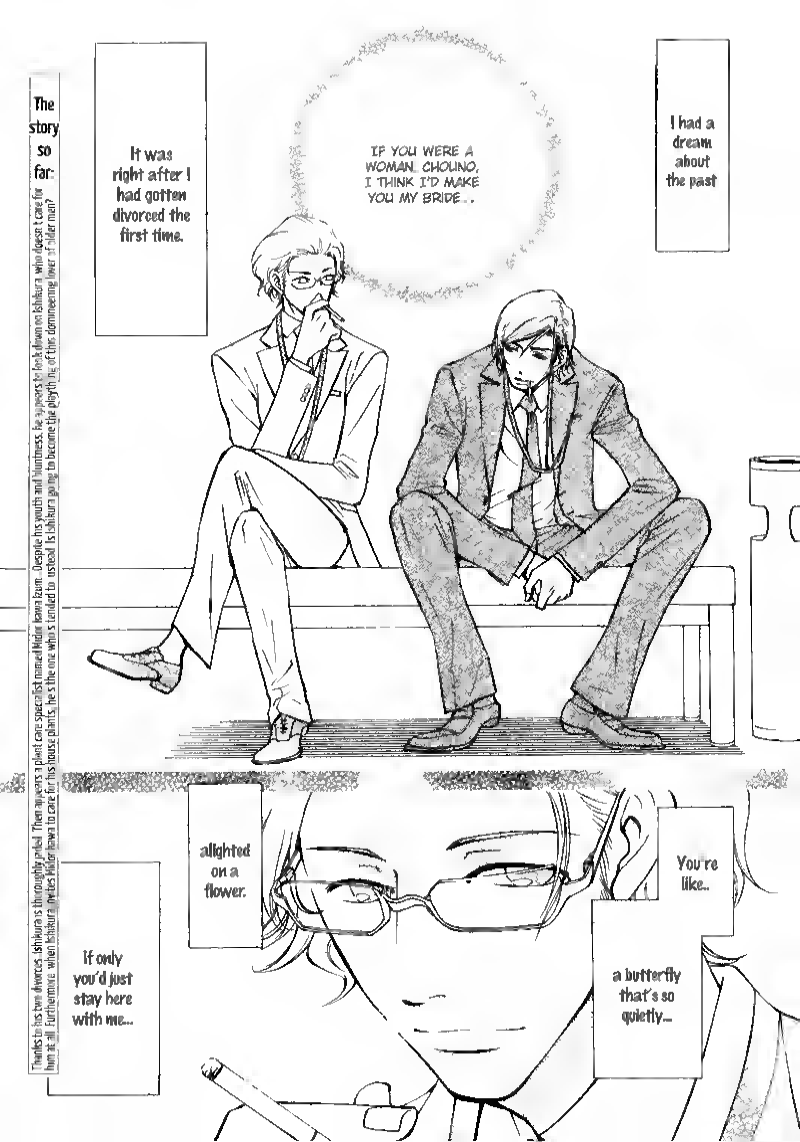
SACHI ARAI Presents



The story so far:
Thanks to his two divorces, Ishikura is thoroughly jaded. Then he covers a plant care specialist named Hidoe Ikuzumi. Despite his youth and blunt ness, he supports the luck-driven Ishikura, who doesn't care for him at all. Furthermore, when Ishikura invites Hidoe home to care for his house plants, he's the one who's tended to instead. Is Ishikura going to become the plaything of this domineering lover of older men?
It was right after I had gotten divorced the first time.
IF YOU WERE A WOMAN, CHOUNO, I THINK I'D MAKE YOU MY BRIDE...
